Program Description and Questions

Program name/description (in 100 words or less, describe the specific program you are nominating for an Activa Award):

What was the goal of the program?

Where did the program run?

When did the program run?

Who from your organization was involved?

How much time/money/resources were put toward this program (please include specific amounts)?

Which organization, group or cause benefitted from this program?

Why did you pick this program?

How has this program helped the community where you do business?

Please provide any statistics or results about the program (please be specific):

Please list any other community-oriented programs in which your company and staff are involved.
